The best clerical

formation today prepares men to be divinely loved in their humanity. In *Configured to Christ: On Spiritual Direction and Clergy Formation*, Deacon James Keating shares what makes a priest or deacon peaceful, personally happy, and—to the extent he keeps receiving the love of God in prayer as a man of interiority and sacrament—a minister of God’s love to his people.

Spiritual Florida Simon and Schuster
This timely collection of essays on British and European Catholic spiritualities explores how ideas of the sacred have influenced female relationships with piety and religious vocations over time. Each of the studies focuses on specific

persons or groups within the varied contexts of England, France, Italy, the Netherlands and Spain, together spanning the medieval period through to the nineteenth century. Examining the interplay between women's religious roles and patriarchal norms, the volume highlights the relevance of gender and spirituality through a wide geographical and chronological spectrum. It is an essential resource for students of Gender History, Women's Studies and Religious Studies, introducing a wealth of new research and providing an approachable guide to current debates and methodologies. Contributions by: Nancy Jiwon Cho,

Frances E. Dolan, Rina Lahav, Jenna Lay, Laurence Lux-Sterritt, Carmen M. Mangion, Querciolo Mazzonis, Marit Monteiro, Elizabeth Rhodes, Kate Stogdon, Anna Welch
Womb to Tomb to Womb Bloomsbury Publishing
The revitalized ministry of spiritual direction is one of the surest signs of renewal in today's Church. In *Spiritual Direction: Contemporary Readings*, seventeen leading writers and spiritual directors discuss the history, meaning, demands, and practice of this ministry. Through timely articles by such recognized authors as William Barry, Sandra Schneiders, Louis Cameli, Kallistos Ware, and John Wright, one comes to see that

spiritual direction belongs, not to a spiritual elite, but to the entire Church--men and women, clergy and laity, members of religious communities. Compiled especially for those entering spiritual direction, either as directors or directees, this book is an excellent introduction to an exciting ministry in today's Church. A valuable feature of this book is a concluding section with recommendations for further readings. Listing important articles and books on spiritual direction published in recent years, this section helps readers to continue exploring this vital area of contemporary spirituality.
Reiki and You
Routledge

When God Is Silent shows you how to trust God even when He seems unresponsive and remote — even when, as in the famous incident in the Gospels, He seems to sleep while you are buffeted by the storms of life. Author Luis Martinez quotes that beautiful line from the Song of Songs — “I sleep, but my heart is awake” — and confirms that with Jesus this is indeed the case: His love for you never sleeps, no matter what. Martinez shows how you can make better sense of your life once you realize that God has actually been closest to you when He seemed farthest away; and once you learn why He often speaks to you only in silence. Best of all, Martinez teaches you the secret

of true happiness, which you can achieve even amid the troubles that are inescapable elements of every human life. With sober realism and simple faith, this book will show you how to discover — and then to take refuge in — the comfort our Lord offers you, even when He seems to sleep. “A powerful masterpiece. A great gem of Catholic spirituality.” Fr. Benedict Groeschel
 Author, Arise from Darkness “Anyone who wants to progress in prayer or who seeks to get past blockages in spiritual growth will find graceful help here.” Bert Ghezzi
 Author, Getting Free “In the silence of Christ’s sleep, we can learn the silence of charity, cultivate the silence of discretion,

experience the interior silence of contemplation, and so find peace.” Donna Steichen Author, *Prodigal Daughters* Learn to get through the times when God seems distant, as you discover: Silence: why it’s essential for all real growth in the spiritual life Why Jesus must seem to sleep in order to refine your love and purify your soul Jesus’ thirty “hidden years”: the important lessons they hold for your life today Why worry? Two common reasons why people do worry — and remedies for each A simple, effective, and gentle procedure for becoming holy in your daily life Prudence: why it’s one of the most difficult — and most important — virtues that you must acquire while Jesus sleeps The

three paths to spiritual peace: are you taking them? Do you know what they are? Two times that Jesus grieved — and what He meant to teach you in each Three surprising things that promote your spiritual welfare — if you know how to use them How the presence of Jesus in your life can transform your experience of suffering The medicine of the spiritual life: why it must often be bitter And much more that will help you endure the storms of your life with confidence that even as Jesus sleeps, He cares for you!

Configured to Christ: On Spiritual Direction and Clergy Formation Austin Macauley Publishers
Ackerman, parish pastor, spiritual

director, and consultant on spiritual formation, provides an excellent guide for clergy desiring a congregation-wide approach to developing spirituality rooted in the life of the congregation. A six-week program focuses on developing individuals' spirituality in small groups and includes leader training and course plans. Practical suggestions assist in developing the "corporate spirituality" of congregations.

A Mighty Current of

The Holy Spirit is the secret to the Church's growth and vitality—her "fountain of youth"! The Spirit is constantly renewing the Church, and the current age is no exception. In this book, theologian and author

Dr. Alan Schreck writes a historical appreciation of the Catholic Charismatic Renewal, now celebrating its fiftieth year—a renewal that has touched millions of Catholics throughout the world. Tracing the origins of the Renewal, Schreck outlines its characteristics, how it spread, what is meant by the baptism in the Holy Spirit, the charisms that are associated with it, and the communities that grew out of it. This book is for those who were involved in the Renewal and for those who want to know how the Spirit has moved so mightily in our own time and age.

Love Is All Around in Disguise Anvil Publishing, Inc.

This massive reference is the key to finding

Imagine healing through balancing your energies by your own hands! While others have written of Reiki, *Reiki and You, Awakening the Healer Within* is unique for its Judaic-Christian perspective. Author Lyles traces the history of laying-on of hands

and shares the “how-to” information about this healing modality in twelve easy-reading chapters. Reiki (Ray-Key) is now considered by many medical experts to be an important component of (w)holistic healing. It is currently used in over one hundred hospitals in the United States, including Sloan Kettering in New York. Its gentle, non-invasive ways, which help balance the endocrine system, help you feel and heal better. It is the subtle energy system that is the essence of life.

Readers’ Comments about Reiki & You “... I encourage all health practitioners to learn to utilize the principles involved in Reiki in conjunction with conventional medical care. I believe the

results would amaze them. Those interested in assuming some responsibility for their own health, as well as improving the lives and health of those around them, should read this book as their first step in their journey towards better health and enlightenment.”

—Kent C. Kyzar, M.D., Yazoo, MS “The historic religious roots found in chapter two were comforting and assuring to someone who looks for validation with God and science. As I learned more about the strength from within to heal, I found I was on a new threshold of ancient origin, one that feels and sounds exciting and divine in its sense of vocation and of empowerment.”

—Connie Biagioli, Dental Assistant,

Baltimore, MD “I have read other books about Reiki and found none more clear than this one. Marge makes it easy with her simple, down-to-earth approach.” —Lino Stanchich, Macrobiotic International Lecturer, N.C.. “Reiki & You is an excellent tool to be used when teaching Reiki. The book lends itself to thorough reading and understanding by even the busiest.” —Reiki Master, Patricia D. Conroy, M.S., L.M.T., Miami, FL
A Guide to Christian Spiritual Formation
Ignatius Press
A fresh resource to help those in recovery from addiction find their own spiritual path through the Buddhist practice of mindfulness. For those of us in recovery,

Mindfulness and the 12 Steps offers a fresh approach to developing our own spiritual path through the Buddhist practice of mindfulness, or bringing one's awareness to focus on the present moment. We can revisit each of the Twelve Steps, exploring the interplay of ideas between mindfulness and Twelve Step traditions—from the idea of living "one day at a time" to the emphasis on prayer and meditation—and learn to incorporate mindfulness into our path toward lifelong sobriety. Through reflections, questions for inquiry, and stories from Buddhist teachers and others who practice mindfulness in recovery, Mindfulness and the 12 Steps will

help us awaken new thinking and insights into what it means to live fully--body, mind, and spirit--in the here and now.

Waiting for Jesus

Mainstay Ministries

Many of us absorbed the rules for being male or female from our families and the culture in which we grew to adulthood. We formed beliefs about a man's role and a woman's role based on what we observed and experienced; mostly, those beliefs had to do with what men and woman did rather than who they were. Our ideas about what constitutes "masculine" and "feminine", by now outdated and inadequate, have led to a precarious imbalance both in our inner lives and in our external lives of

relating to men and women. The result? A gender war. In *Joining Forces*, Jeanie Miley explains that our deeply ingrained gender expectations have created an imbalance in our emotional and spiritual lives and have kept us from becoming our most authentic selves. *Joining Forces* will help readers discover the masculine and feminine characteristics that connect, unite, and restore us—traits that men and women alike can and do express. By joining our masculine and feminine strengths, we restore our own souls, our creative energies, and our own true, essential natures.

Gender, Catholicism and Spirituality Rex Bookstore, Inc.

Dawn Cogger's memoir, *Womb to Tomb to Womb*, provides fodder for life's journey, a journey with unimaginable positive changes. Her story demonstrates how our life journey and its teachings are unique for each of us. Her life starts with sporadic Christian teachings, and contrary messages that belief in God is not acceptable, her behaviour often unacceptable. Her love of nature brings her solace and inspiration. She shares her hunger for prayer and a relationship with God. The bold, yet gentle book of life memories starts as a child, travails through her moments of desperation, to a seasoned woman, nurse, spiritual director

and writer. It will touch your heart, inviting transformation. Her memoir includes her struggle with the deaths of two young patients. She considered marriage to be a life-long commitment, and found it wasn't. She went to therapy more than once. Dawn seeks and receives spiritual direction. She also walks the contemplative discernment process through the education of providing spiritual direction. As you witness her life, you'll see her major losses turn into her gifts. Ageing and the virus COVID-19, at times seen as insurmountable challenges, bring about a grateful, inclusive, energized being. She shows the joys and

woes of our lives have energy to foster: healing of a broken heart, a fulfilling relationship with God, and a life open to being true to our authentic selves.

25 Life-Changing Questions from the Gospels
Augsburg
Fortress Pub

This book considers mercy, not only through a careful reading of relevant Scripture passages, but by exploring revealing extracts from literary classics and pertinent, sometimes surprising, examples from popular culture.

Waiting for Jesus By:
Beatrice (Bea)
Cunningham Whether at home school or in a church setting, Waiting for Jesus can help adults and children

alike prepare for the coming of Jesus while reflecting on scripture from Proverbs. It has singing, praying, and a simple technique to help them memorize scripture. The author hopes whoever reads the book and participates in the activities therein will grow in wisdom, stature, and in favor with God and man. This book may help one to know that waiting is not passive but very active as we prepare for the coming of Jesus. It might be today!
COME LORD JESUS!

Women on Fire

Sophia Institute Press
Becoming Fire invites the reader to engage in the age-old practice of listening to stories to activate our creative imagination. Thirty-three meditations arranged for daily

reading would enhance the prayer and Bible study of people who are seeking a personal, vital love relationship with Jesus Christ. Ideal for all ages, *Becoming Fire* will be of interest to the serious seeker as well as a useful tool for beginners in their spiritual journey. Each daily entry is followed by a question for contemplation and personal spiritual growth.

A Place for God Smyth & Helwys Publishing, Incorporated
Being Prayer offers timeless guidance, a clear, simple, yet personal and challenging path for living fully, in harmony and integrity, with things just as they are. It also provides rich resources for further study based on individual needs and

interests.

Spiritual Direction Atla Bibliography

The Consulting Room and Beyond is not a typical example of clinical writing in the field of psychoanalysis. Therese Ragen, pushing the boundaries of the genre, thoughtfully explores in a very immediate way the intersubjective nature of psychoanalysis, particularly looking at the role of the psychoanalyst's subjectivity, both how it influences and is influenced by the psychoanalytic relationship. The profound ways in which analyst and patient affect each other are captured as the author moves from a moment with a patient, to one of her own memories, to a dream, to a

professional consultation and back to the session with the patient. Ragen's detailed descriptions of her subjective experiences and clinical skill help to weave the anecdotes into a compelling narrative, worthy of the attention of theorists, academics and clinicians alike.

Kane explores the role of religious identity in Boston in the years 1900-1920, arguing that Catholicism was a central integrating force among different class and ethnic groups. She traces the effect of changing class status on religious identity and solidarity, and she delineates the social and cultural meaning of Catholicism

in a city where Yankee Protestant nativism persisted even as its hegemony was in decline.

Becoming Fire

Nutshell Publications
This work examines the interplay between the city of Sacramento and the Catholic Church since the 1850s. Avella uses Sacramento as a case study of the role of religious denominations in the development of the American West. In Sacramento, as in other western urban areas, churches brought civility and various cultural amenities, and they helped to create an atmosphere of stability so important to creating a viable urban community. At the same time, churches often had to shape

themselves to the secularizing tendencies of western cities while trying to remain faithful to their core values and practices. Besides the numerous institutions that the Church sponsored, it brought together a wide spectrum of the city's diverse ethnic populations and offered them several routes to assimilation. Catholic Sacramentans have always played an active role in government and in the city's economy, and Catholic institutions provided a matrix for the creation of new communities as the city spread into neighboring suburbs. At the same time, the Church was forced to adapt itself to the needs and demands of its various ethnic constituents,

particularly the flood of Spanish-speaking newcomers in the late twentieth century.

Sacramento and the Catholic Church

InterVarsity Press

These days more and more people are scheduling getaways to retreat centers for their spiritual well-being-- over 1.2 million Catholics alone during 1997. Located throughout the United States and Canada, these centers cater to the needs of people seeking quiet time, regardless of religious affiliation. Retreat possibilities range from one day of solitude surrounded by nature, to a few days of quiet time under the guidance of a resident spiritual director, to a week experiencing the rigorous rhythms of community monastery

life. In *A PLACE FOR GOD*, Timothy Jones shares the wisdom of his pilgrimages to retreat centers as diverse as a mountaintop hermitage overlooking the Pacific and a monastic oasis on Chicago's South Side. First he explains everything about retreats: what they are, why people go, how to prepare, what to pack, and what to do

while there. Then he provides an extensive directory of over 250 retreat centers in all fifty states and Canada, complete with all the information readers need to contact the retreat center that is right for them. *A PLACE FOR GOD* is the perfect resource for anyone who wants to find spiritual fulfillment or simply a place to get away.
