Actor and longtime educational advocate LeVar Burton has had more than 30 years' experience speaking directly to children about grown-up situations, and *The Rhino Who Swallowed a Storm* is a story that helps ease the fears and worries of a young child. Mica Mouse lost her house in a terrible storm, and now she trembles when the weather turns rough. She's not so different from other children who've experienced something very disturbing in their life or heard about tragic or frightening events in the news. Mica's father tells her the story of a brave blue rhinoceros who learns how to get through rough times with

friendship, helpers, love, and by "feeling your feelings." LeVar Burton has poured a lifetime of experience storytelling to children into *The Rhino Who Swallowed a Storm*, and the result is more than a book—it's a manual for finding the light in the midst of dark times.
