Annual Reports of the Boards to the General Assembly John Wiley & Sons

A celebration of some of the most creative van and vehicle conversions on the road, alongside their very inventive owners. Living and traveling in converted vehicles has become increasingly popular in recent years and the coronavirus pandemic has only increased the trend further. Life on the road can offer an incomparable sense of freedom and community, with

endless opportunity for new experiences, and a shift to simpler living. But what these travelers are after is very different from the traditional caravan holiday; instead these vans and trucks have been creatively turned into permanent homes, tailored for their owners' tastes and interests. While some choose a ready-made van, for others the joy is in converting it themselves and making it personal and unique. With imaginative storage options, eco-friendly power sources, inventive layouts, and some very well-traveled pets, the options for these portable homes are limitless. This illustrated book reveals some of the most beautiful and inventive converted vehicles on the road and the most creative of van-dwellers, to inspire and delight every aspiring van-lifer. *DIY Camper Van Conversion and RV Build Journal* Amberley Publishing Limited

DIY Van to RV Conversion Guide - How I Converted My Passenger

Van into A Campervan Before we start, let me first put your mind at ease by assuring you that a Van to RV conversion is not expensive, I did it, and I am here to share the whole process so you can do it too. If you are like me then you know and agree that most commercially available conversion vans are ugly and expensive. I wanted the luxury and comforts of an RV but in a vehicle that I can easily drive around town. If you are on a limited budget and want to start your new life as a full-time nomad like me, then this is the book for you. Any type of van can be easily and inexpensively converted into a roadworthy and comfortable camper. You can complete the conversion on your own in the comfort of your own backyard with few tools and some basic build knowledge. It's easy to build the home of your dreams when that home is on wheels! That could be you. Your DIY campervan could take you there. I have just finished my second van to RV camper renovation conversion. The first time, I thought I knew what I was doing but I really didn't. I didn't have the help of any sort of guidebook (like you will) when I took on my first project. I thought, "What could go wrong?" Well, I found out what could go wrong! For starters, my girlfriend wasn't the most comfortable settling into the van. Space wasn't laid out well and we were constantly tripping over each other. Not to mention that the first go-around, I didn't create any sort of cabinetry but decided to use milk crates to hold all our stuff. In this second try, I took my time documenting the steps and making better choices. I went a little fancier in the finishes and made the van much more livable for what I hope will be a long-term investment. In my book, I will tell you just how to turn your van into the camper of your dreams. I have also included tons of information for first-time van campers for boondocking, packing lists, and do's and don'ts for your amazing road trip. In this book, I will direct you on how to transform a van into a camper from scratch. There are many factors to consider when it comes to developing a DIY campervan. Each aspect of your living must be put in place nicely to ensure that you enjoy your life on the road. Since you will be spending most of your time in an RV, you are looking for space while at the same time, you want to include as many luxury features as possible. These aspects should be balanced delicately. You will learn: The history of conversion vans What types of vans you can use for your conversion and what each might benefit you How to make sure your van remains roadworthy and street legal What

insurance you might consider How to set a budget (including a look at my conversion budget) What you should do BEFORE you start pulling the old carpeting out How to create a layout that will work best for you What tools and materials you'll need for your conversion Tons of advice for making your life in a van that much easier And, of course, comprehensive step-by-step instructional procedures on how to make your van a wonderful home on wheels. Be sure to review the table of contents before you click "Add to Cart" so you can know exactly what you're getting for your money. I sincerely hope this book helps you achieve your dreams of being a full-time nomad in your own self-made campervan. If I had this book from the start, I would have had a much easier experience!

With hundreds of funky vehicles, awe-inspiring landscapes, and cleverly designed interiors in tiny spaces, Van Life is perfect for anyone who dreams about living on the open road. More and more, people of all generations -- from millennials to baby boomers -- are taking a break from conventional life for the freedom, tranquility, and adventure of being on the road and living in a converted vintage truck, camper, or van. One of these van-dwellers, Foster Huntington, created the #vanlife hashtag as he chronicled his adventures of living in a van and driving it across the country. He tapped into a community of like-minded individuals looking to explore nature at their own pace and live a debt-free lifestyle. Van Life showcases the best crowd-sourced photographs from Foster's social media accounts -- many of which have never been posted or seen before. Organized into sections like Volkswagen vans, American vans, converted vans, school buses, and more, the selection of photos includes shots of the unique vehicles and the beautiful locations they've been parked. From stunning beaches to dramatic mountains and picturesque forests, and with fully designed interiors with kitchens and sleeping quarters, this stunning array of life-on-the-road-possibilities might just be enough to get you to pack up your things and hit the highway. Also included are informative and topical interviews with solo travelers, couples, and families who are living this new American dream.
