Exploring the possibility of wigs by portraying 111 transformations of Cameron Lee Phan in 111 handmade wigs made by Tomihiro Kono. Hairstyles are closely related to our identity; They create both our inner and outer self. This can reflect our personality or, in some way, can hide our true selves. We can suddenly make ourselves look like a different person by wearing a wig. A wig is a kind of mask, designed on the one hand to make a definite impression upon others, and on the other to conceal the true nature of the individual. Changing how we look is an act of self-reflection, self-

assertion, and self-defense. We live in the spirals of the world by defining ourselves and being defined by others. In Latin times a persona was a mask; today our digital masks have turned into persons that amplify our individual digital essence, letting our fake and intangible identities take over. Tomihiro Kono's wigs are a reaction to our digital society and a way to reclaim our physicality: with his creations the artist and designer invites us indeed to go over a physical, rather than digital, transformation. A wig by Tomihiro Kono is therefore a "mask-thrix" - a mask for the hair ("thrix" meaning "hair" in Greek), a symbol of an existential drama and the possibility of taking up not just one role, but multiple ones. By wearing a wig by Tomihiro Kono you can be anything and anyone but yourself. The promise is alluring. Enter the Mask-Thrix.

The Sartorialist Man: Inspiration Every Man Wants, Education Every Man Needs, by renowned photographer, fashion editor, and social media sensation Scott Schuman, is the definitive fashion primer celebrating the diversity of today's well-dressed man. Schuman's dynamic street photography captures the essence of style as seen through lens of guys of all ages from around the globe. Setting the new standard, the book will be an invaluable resource for men as they explore and hone their unique personal style. "What I didn't want this book to be was a list of rules. But I do outline principles that will help you make confident decisions about your many sartorial choices," says Schuman in the book's introduction. The book begins with "Dressing Your Body Type," because when you know what fits your unique body, the better you can pull off any look. In section one, "Clothing," Schuman delves into wardrobe basics with "Elements"--an illustrated glossary of everything from jackets and pants, and collars and cuffs, to outerwear and underwear. Also sprinkled throughout are "Style Strategies" explaining how stylish gentlemen do what they do so well, and the "Focus" section is filled with tips on to how to talk to a tailor, view the runway, and discover inspiration from friends and colleagues. The second part of the book tackles everything you need to know about accessories--whether to go socks or no socks, and how to tie a tie, choose the right glasses or sunglasses, and find the right shoe. Part three, "Maintenance & Sustainability," is filled with illustrated step-by-step instructions on how to care for, mend, fold, store, and pack your clothes and footwear. Schuman even shares pointers on the how and why to invest in key pieces of your wardrobe, shop online or in person, or buy vintage or new. Refreshing, contemporary, and inspiring, this striking menswear tome will come to define today's essence of style. *The Sartorialist: Man* is about enjoying the freedom to explore what looks great on you--and that, perhaps, is the

ultimate chic.

"Honest, insightful, and thoroughly entertaining...Mizrahi comes off in writing just like his onscreen persona: warm, witty, humble—and ready to dish." —Booklist, starred review Isaac Mizrahi is sui generis: designer, cabaret performer, talk-show host, a TV celebrity. Yet ever since he shot to fame in the late 1980s, the private Isaac Mizrahi has remained under wraps. Until now. In *I.M.*, Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. Growing up gay in a sheltered Syrian Jewish Orthodox family, Isaac had unique talents that ultimately drew him into fashion and later into celebrity circles that read like a who's who of the twentieth and twenty-first centuries: Richard Avedon, Audrey Hepburn, Anna Wintour, Mikhail Baryshnikov, Meryl Streep, and Oprah Winfrey, to name only a few. In his elegant memoir, Isaac delves into his lifelong battles with weight, insomnia, and depression. He tells what it was like to be an out gay man in a homophobic age and to witness the ravaging effects of the AIDS epidemic. Brimming with intimate details and

inimitable wit, Isaac's narrative reveals not just the glamour of his years, but the grit beneath the glitz. Rich with memorable stories from in and out of the spotlight, *I.M.* illuminates deep emotional truths.
