Manhattan Prep's GRE Vocabulary Flash Cards go above and beyond other GRE flash cards on the market. Designed help the student develop a lasting understanding of the word in a GRE-relevant context, the

backs of all cards contain a word "network" with definitions, usage, synonyms, and more! 500 Essential Words is the first in a 2-volume set of GRE flash cards—start with essential words and graduate to advanced vocabulary. Together, the sets comprise the most comprehensive vocabulary study tool on the market.

Vocabulary Flash Cards

Simon and Schuster
"The perfect companion to any GRE study plan, this eBook includes sample sentences, synonyms, and a pronunciation key for 600 of the most commonly tested vocabulary words on the GRE. Careful preparation is the key to success!" --

Essential GRE Vocabulary Rtc

Publishing
2015 version published on 12/29/14. Need a good way to remember that the word "prodigal" means "wasteful"? Just think ofprada gal - a girl who spends all of her money on designer clothes. Brian McElroy (Harvard, '02) and Vince Kotchian (Boston College, '97), two of San Diego's most sought after test-prep tutors, provide a series of clever, unconventional, and funny memory devices aimed toward helping you to improve your vocabulary and remember words long-term so that you don't ever forget their meanings. Brian and Vince, combined, have been tutoring the test for over 20 years. They have analyzed all available official GRE

tests to select the words that appear in this book. The vocabulary words in this book are best suited for students at a 9th-grade level or above. The words in this edition are specifically targeted toward the GRE exam, but they are also helpful for students who are preparing for other standardized tests such as the SAT, ACT, ISEE, SSAT, GMAT, LSAT or MCAT, or anyone at any age who simply wants to improve his/her knowledge of English vocabulary. Disclaimer: a few of our mnemonics might not be appropriate for kids – some contain adult language or situations. Over 950 of the words in this book appear in our other mnemonics book, SAT Vocab

Capacity. So if you're easily offended, the SAT version might be a better choice. Why This Book Is Different If you're studying for the GRE, SAT, or for any other standardized test that measures your vocabulary, you may be feeling a little bit anxious – especially if you've taken a practice test and encountered words you didn't know (or maybe never even saw before)! Whether you have seven days or seven months to prepare for the test, you're going to want to boost your vocabulary. But it's not that simple – you've got to remember the words you learn. And on many GRE text completion and sentence equivalence questions, getting the right answer comes down to knowing the

precise definition of the words. You could make vocabulary flashcards. You could look up words you don't know. You could read a book with lots of big words. But unless you give your brain a way to hold on to the words you learn, it will probably have a harder time remembering them when they appear on the test. That's the problem with most vocabulary books: the definitions and sentences in the books aren't especially memorable. That's where this book is different. We've not only clearly defined the words but we've also created sentences designed to help you remember the words through a variety of associations - using mnemonics. Mnemonic Examples A mnemonic

is just a memory device. It works by creating a link in your brain to something else, so that recall of one thing helps recall of the other. This can be done in many ways - but the strongest links are through senses, emotions, rhymes, and patterns. Consider this example: Quash (verb): to completely stop from happening. Think: squash. The best way to quash an invasion of ants in your kitchen is simple: squash them. Now your brain has a link from the word quash (which it may not have known) to the word squash (which it probably knows). Both words sound and look the same, so it's easy to create a visual and aural link. If you picture someone squashing ants (and

maybe get grossed out), you also have another visual link and an emotional link. Here's another example: Eschew (verb): to avoid. Think: ah-choo! Eschew people who say "ah-choo!" unless you want to catch their colds. The word eschew sounds similar to a sneeze (ah-choo!), so your brain will now link the two sounds. If you picture yourself avoiding someone who is about to sneeze in your face, even better! Again, the more connections you make in your brain to the new word, the

GRE Words In Context

With Usage/Roots/Synonyms/Antonyms and More... GRE Word List: Vocabulary with Memory Triggers GRE Vocabulary: 501 Essential Words Vocabulary is a critical element of the GRE test, and it helps to devote sufficient time to it, as it takes a long

time to build an effective vocabulary. This book contains over 500 Essentials words that appear frequently in the GRE, and uses some of the following techniques to help you remember these words faster and better! - Word Roots; Since many English words are derived from Greek & Latin roots, it makes sense to be aware of these. - Prefixes/Suffixes; Pay attention to the tone of the words, whether soft or hard, harsh or mind, negative or positive. This could help you guess when in doubt. Prefixes/Suffixes can often help you with identifying the meaning of a word, when in doubt. - Usage of the Word; Perhaps the Best way to increase your vocabulary is to read,

read and read. There is absolutely no substitute for that! Reading helps you learn new words from the context in which they are used, thereby making it easy to remember the new words and more importantly, how and when it is used. This book provides you with multiple examples of how a word is used in different contexts. -
 Synonyms/Antonyms Being familiar with related words, increases the number and variety of your mental associations. This helps you retain the meaning of the word more easily. -
 Related Words In order to 'deeply' understand the meaning of a word, it is helpful to study related words at the same time. e.g. The word ameliorate

means, to "make better" while alleviate means "make less severe". -
 Pronunciations Each word has a pronunciation key that helps you say the word out correctly, thereby aiding retention. -
 Practice makes perfect! Finally, this book has over a thousand exercises to make sure that you remember the meanings of the newly learnt words 'forever'!
 Many ingenious methods, scientifically correct, have been devised to aid in the remembering of particular facts. These methods are based wholly on the principle that that is most easily recalled which is associated in our minds with the most complex and elaborate groupings of related

ideas. All of the above methods are designed to create a word network in your mind, thereby helping you develop a lasting understanding of the word in the GRE relevant context.

What's in this Book?

This book contains a Word List unlike any you have seen before. A traditional word list offers a vocabulary word, its dictionary definition, and a SINGLE use of the word in a sentence. That is simply not enough for a fully functional understanding of a word in all its complexities.

(Fourth Edition)

McGraw-Hill Education

What's in this Book?

This book contains a Word List unlike any you have seen before. Our Word List takes each vocabulary word through its paces, denoting its part of speech, synonyms for

its various contexts, its dictionary definition, and, most importantly, THREE (3) to FIVE (5) sentences using the word in its varied contexts.

"GRE Official Vocabulary 2020-2021: All Words You Should Know for GRE Writing/Essay Part. GRE Study Book 2020" This book contains all the most important words that you need to know to successfully complete writing/essay part of GRE exam. This material is perfect for any serious candidate who does not wish to waste time researching and learning new vocabulary the traditional way. This book will make your learning more efficient

with less of your own effort, which means more spare time to review other concepts. We tried not to create just a regular dictionary with a bunch of words, but chose only the most necessary definitions from the official GRE examination materials, and described them in the most accessible way.

3861 GRE Words for High GRE Verbal Score

Vibrant Publishers

The verbal reasoning section presents the most difficulty for GRE aspirants. Limitless as the English lexicon is, how do you know where to begin and how much to cover? Thankfully, with this book there is now an easy answer. These 491 words have been selected by GRE experts after extensive

analysis of the new verbal section, and form the perfect foundation for acing the exam. Unlike other vocabulary books, the methodology adopted is not that of learning by rote; emphasis is given on understanding the context and widening word-awareness. Here is what this book has to offer: 1) The top 491 words for the GRE, along with detailed, clear meanings; 2) Synonyms and antonyms to widen your knowledge as you learn new words; 3) Friendly pronunciation system to make sure you speak the words right, every time; 4) Sample sentences to learn the right context for using the words; 5) Parts of speech to complete your understanding of how

to work with the words.

Like a target, Dr. Raju's GRE word list gets ingrained in your mind!

This proven methodology is based on more than a decade's practical research on vocabulary acquisition, retention, and usage. Many students have no idea of the advanced university level vocabulary that appears on the GRE tests. If you are one of them, you found the right book. GRE

Wordlist: Vocabulary with Memory Triggers will teach you the words you just need to know, sharply and efficiently. Absorb the words-not just acquaint with them, which is what most vocabulary books do. Try memory triggers-guaranteed to fix each word and its meaning permanently in your mind-and be a GRE word wizard! How to use this book-each word consists of four elements: 1. The Word: The word you wish to learn, followed by phonetic pronunciation and definition.

Example: aesthetic (es THET ik)-concerned with beauty; artistic 2.

The Memory Trigger: The memory trigger is a simple word that rhymes or may signify the main word.

Example: Athletic 3.

Trigger Sentence: The

link connects the main word and the memory trick in a sentence.

Example: athletic body appears aesthetic 4.

Sample Sentence:

Kumar carved an aesthetically pleasing wood sculpture.
