Nowhere
Emporium
arrives in

Glasgow,
orphan Daniel
Holmes
stumbles upon
it quite by
accident.
Before long,

the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment. Recruited as Mr Silver's apprentice, Daniel learns the secrets of the Emporium's vast labyrinth of passageways and rooms -- rooms that contain wonders beyond anything Daniel has ever imagined. But when Mr Silver disappears, and a shadow

from the past threatens everything, the Emporium and all its wonders begin to crumble. Can Daniel save his home, and his new friends, before the Nowhere Emporium is destroyed forever? Scottish Children's Book Award winner Ross MacKenzie unleashes a riot of imagination, colour and fantasy in this astonishing adventure, perfect for fans of Philip Pullman, Corneila

Funke and Neil Gaiman. Mudshark is the go-to guy for any mysteries that need solving. Lost your shoe? Can't find your homework? Ask Mudshark. That is, until the Psychic

Parrot takes up residence in the school library and threatens to overturn Mudshark's position as the guy who knows all the answers. The word in school is that the parrot can out-think Mudshark. And right now, the school needs someone who's good at solving problems. There's an escaped gerbil running rampant, an emergency in the faculty restroom, and all the erasers are

disappearing from the classrooms. When Mudshark solves the mystery of who's stealing the erasers, he discovers the culprit has the best of intentions. Now he has to think of a way to prevent the Psychic Parrot from revealing the eraser-thief's identity. With a bit of misdirection and a lot of quick thinking, Mudshark restores order to the chaos . . . just for the moment.

Jenni Green doesn't have a choice. On her way to visit her best friend, Autumn, Jenni suddenly finds she's been transported exactly one year forward in time. Now she discovers that in the year that's gone by, tragedy has struck and her friendship with Autumn will never be the same again. But what caused the tragedy? How did Jenni skip a year? And can she find her way back to the past to

try to change what lies ahead? With humour - and her customary light touch - the author of the EMILY WINDSNAP books plays a fascinating game with time, and explores the changes that take place in friendships and families in the aftermath of a disaster. *Comprehension worksheets for Year 6* Candlewick Press
A stunning modern-day fairy tale from acclaimed author Anne Ursu Once upon a time,

Hazel and Jack were best friends. But that was before he stopped talking to her and disappeared into a forest with a mysterious woman made of ice. Now it's up to Hazel to go in after him. Inspired by Hans Christian Andersen's "The Snow Queen," *Breadcrumbs* is a story of the struggle to hold on, and the things we leave behind. **Clay** Knopf Books for Young Readers

Read the series that's sold more than 2 million copies--if you dare!
Warning: this description has not been authorized by Pseudonymou s Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who

has vanished under strange (and stinky) circumstances . And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The Girl Who

Could Fly

Hachette
Children's
Alfie has noticed a few things since his family moved to Folding Ford. He really misses life in the city. He and his sister don't exactly fit in here. But the most interesting one is that the weather is BONKERS.

One frost-covered branch on one tree in the middle of June? A tiny whirlwind in a bucket in the garden? Only in Folding Ford. Armed with his bike, a notepad and his new best mate Sam, Alfie is going to investigate. His best clue is Nathaniel Clemm ... the only thing in town weirder than the weather. When Alfie 'investigates' Mr Clemm's garden, only SLIGHTLY illegally, he finds a strange box

that freezes his trainers and makes his teeth tingle. And when he opens it, only SLIGHTLY deliberately, SOMETHING gets out. Something fast, fizzing and sparking with electricity and very, very much alive. But the creature from the box brings trouble of its own, and as barometers and tempers go haywire in Folding Ford, Alfie finds himself at the centre of a perfect storm. Skellig meets Stranger Things in this

funny, heartfelt adventure story perfect for fans of Ross Welford, Christopher Edge and Frank Cottrell Boyce. Classics in the Classroom Phaidon Press You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops.

Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But

Piper is special, even among the special. And there are consequences . Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your

heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I

cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the

book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."--Booklist, Starred Review "Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take

strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review The Girl Who Could Fly is a 2009 Bank Street - Best Children's Book of the Year.

American Black Folktales

Bloomsbury Publishing A haunting, stunningly illustrated story of loss, hope, and the power of music from multi-award winners David Almond and Levi Pinfold.

Kielder Water is a wild and beautiful place, rich in folk music and legend. Years ago, before a great dam was built to fill the valley with water, there were farms and homesteads in that valley and musicians who livened their rooms with song. After the village was abandoned and before the waters rushed in, a father and daughter returned there. The girl began to play her fiddle, bringing her tune to one

empty house after another — for this was the last time that music would be heard in that place. With exquisite artwork by Levi Pinfold, David Almond’s lyrical narrative — inspired by a true tale — pays homage to his friends Mike and Kathryn Tickell and all the musicians of Northumberland, to show that music is ancient and unstoppable, and that dams and lakes cannot overwhelm it.

A remarkable story about the power of tolerance from one of the most important voices in contemporary Muslim literature, critically acclaimed author Randa Abdel-Fattah. Michael likes to hang out with his friends and play with the latest graphic design software. His parents drag him to rallies held by their anti-immigrant group, which

rails against the tide of refugees flooding the country. And it all makes sense to Michael. Until Mina, a beautiful girl from the other side of the protest lines, shows up at his school, and turns out to be funny, smart -- and a Muslim refugee from Afghanistan. Suddenly, his parents' politics seem much more complicated. Mina has had a long and dangerous journey fleeing her besieged

home in Afghanistan, and now faces a frigid reception at her new prep school, where she is on scholarship. As tensions rise, lines are drawn. Michael has to decide where he stands. Mina has to protect herself and her family. Both have to choose what they want their world to look like. The People Could Fly Hachette UK Once upon a time, Little Red set off into the woods to catch a wolf

. . . But the woods aren't all they seem - and are there even any wolves left? Mini Grey re-imagines the classic Little Red Riding Hood fable in an entirely new way. Can Little Red help her new friends in need and recover the wild days of the past? This is a powerful, moving and funny picture book which will have children and adults revisiting its exquisite pages time and time again, and

discussing the important message it holds. From the award-	winning author/illustrat or of The Adventures of the Dish and	the Spoon, The Pea and the Princess and Biscuit Bear.
